

UNSTOPPABLE

SP 555EWXT SPREADER

part #: 271255000-1

GREAT FOR MAKING UNDERWATER EXITS.

This spreader is a game-changer. It's the first of its kind. It allows you to operate submerged in fresh water and unencumbered by any hoses or power units. And despite all that, it's still one of the lightest, most powerful spreader in the business. The water is a lot safer now.
